Dear Club Members,

On behalf of the children and families of the Ronald McDonald House of Long Branch and New Brunswick, I would like to take this opportunity to formally thank you for your generous donation. Your contribution will make life a little easier for families and children at our facility and we can not thank you enough.

When families are suddenly faced with critical care emergencies, the first thing parents try to do is provide them with the best medical care possible, but children with life threatening conditions need more than good medical care. They need their parents close by for comfort and reassurance. Families travel great distances to bring their children to pediatric medical centers. The Ronald McDonald House provides a "home away from home" for these families for as long as their child is being treated. Every day of the year families are offered a warm comfortable room, access to a fully stocked kitchen, and a supportive environment.

Because of your generosity, "the House that Love Built" can continue to be a permanent source of strength for families coping with the crisis of caring for a seriously ill child.

Sincerely,

Corinne M. LeBaron
