Don't miss this exciting cultural event for children and adults alike! The legend of La Befana is very famous in Italy! It is about an elderly woman who is visited by the three kings who are searching for the Christ Child. They invite her to come with them but she declines saying she has so much cleaning to do. After they depart, she has second thoughts and decides to follow the star and look for the little Baby Savior. To this day, she visits children on the eve of the Epiphany, searching and leaves a present for the good children, but coal and ashes for the naughty ones.

Price includes performance of the Legend of La Befana, performed by "Cuoro D' Italia", lunch, baked goods and a goody bag for the children. Please note that Pranzo, (lunch), will be served from 2:00 PM to 3:00 PM.

Also featured is an Auction Table, and a 50/50.

Feel free to invite family, friends and neighbors to this wonderful event!  
Please RSVP by January 4, 2026. (Questions, please contact Cheryl Scuorzo (732) 771-6785.)
